

Learn & Earn Program

The Learn & Earn Program bridges the gap between education and real-world opportunities in travel, tourism, and creative industries. Through hands-on training, mentorship, and income-generating pathways, it equips students and young professionals with practical skills to contribute to the global travel ecosystem.

How the Travel Industry Benefits?

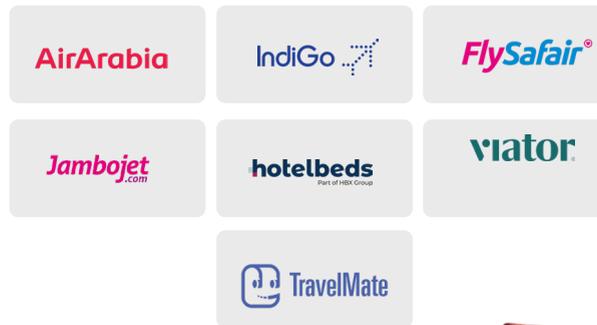

- ✦ Agencies get ready-to-work student talent trained in travel sales, research, and digital tools
- ✦ Sustainability-aware students help promote responsible, community-focused tourism
- ✦ Students support agents directly with bookings, itinerary planning, customer follow-ups, and destination research
- ✦ Fresh digital skills boost agency performance in marketing, e-commerce, enhances brand visibility and customer engagement
- ✦ Stronger partnerships grow between agencies, suppliers, and education institutions through continuous collaboration

How Students Benefit?

- ✦ Get hands-on industry training and earn while you learn
- ✦ Gain real-world experience by handling client queries, research, and travel planning
- ✦ Develop entrepreneurial skills to start or grow your own travel business
- ✦ Boost your resume with practical skills, business exposure, and real client interactions
- ✦ Build a powerful industry network with agencies, suppliers, tourism boards, and mentors
