

SUNRISE AIRWAYS (S6)

Sunrise Airways (S6) is enhancing access to some of the US market's favorite Caribbean destinations with daily non-stop services from Miami (MIA) to Cap-Haïtien (CAP) and three weekly non-stops from Fort Lauderdale (FLL)! AirlinePros can also suggest convenient connections to Eastern Caribbean destinations like St. Lucia, Dominica, and Antigua. Plus, Sunrise will be adding a Boston service starting March 17, and soon a new service from Newark (EWR) to CAP.
