

AIRLINEPROS UK

We're excited to spotlight the recent interline agreement between **interCaribbean Airways** and **Virgin Atlantic**, which opens up seamless travel options to stunning Caribbean destinations and exciting new products. Key connections now include **Guyana, Dominica, Tortola** in the British Virgin Islands, and the **Federation of St. Kitts and Nevis**.

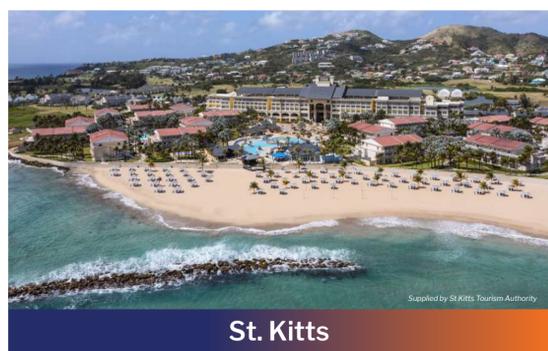

Looking ahead to 2026, **AirlinePros UK** is poised for growth with the onboarding of several new clients - including DMCs, hotel partners, destinations, and airlines - along with expanding route options that enrich our portfolio. If you're eager to learn more about these exciting developments and how to leverage AirlinePros' support services to grow your sales, please get in touch with us. Together, we can unlock new possibilities!

AGENT'S CORNER

AirlinePros has been appointed as **BSP Coordinator for Cayman Airways (KX)** in the UK (as well as Canada and Panama) which will mean enhanced support for agents in onboarding, ticketing, and day-to-day distribution. The partnership also aims to boost trade engagement and education, helping agents convert more leisure, corporate, and VFR traffic to the Cayman Islands and beyond destinations on Cayman Airways' network.
